High Street, Market Street, Victoria Terrace & Hardgate
Haddington

Dear Sir/Madam

**CARRIAGEWAY RESURFACING WORKS
A6093 HARDGATE, A6093 HIGH STREET, MARKET STREET AND VICTORIA
TERRACE, HADDINGTON**

It is the Council's intention to undertake carriageway resurfacing work on the above roads, commencing Thursday 15th February for approximately 7 days (excluding weekend), weather permitting.

In order to comply with current Health and Safety Legislation, it will be necessary to close sections of the road during the construction process. The work will be undertaken in four phases as detailed below. The extent of the surfacing is shown on the attached drawing EL17691064/08. The following conditions apply:

**PHASE 1 THURSDAY 15TH FEBRUARY 09:30 TO 16:30
A6093 HARGATE (East Side)- TEMPORARY TRAFFIC SIGNALS
VICTORIA TERRACE AND MARKET STREET – ROAD CLOSED –
DIVERSION ROUTE AS PER DRAWING EL17691064/09**

- Parking restrictions will be signed and coned
- A shuttle bus service will follow the diversion route and connect with the normal service on the A199 at Haldane Avenue. Temporary bus stops will be provided. There will be **NO** bus stop provision on the High Street, the nearest alternative stop will be Court Street.
- Pedestrian access will be maintained at all times
- Refuse collection will be as normal, however please ensure your bins or boxes are out for 06:00 on collection days.

**PHASE 2 FRIDAY 16TH FEBRUARY 09:30 TO 16:30
A6093 HARGATE (West Side)- TEMPORARY TRAFFIC SIGNALS
VICTORIA TERRACE AND MARKET STREET – ROAD CLOSED –
DIVERSION ROUTE AS PER DRAWING EL17691064/09**

- As Phase 1

PHASE 3 MONDAY 19th FEBRUARY 09:30 TO 16:30
MARKET STREET - ROAD CLOSED - DIVERSION ROUTE AS PER
DRAWING EL17691064/09

- As Phase 1

PHASE 4 TUESDAY 20th Feb 09.30 to 12.30
VICTORIA TERRACE - ROAD CLOSED - DIVERSION ROUTE AS PER
DRAWING EL17691064/09

PHASE 4B TUESDAY 20th Feb 10.30 to 16.30
A6093 HIGH STREET - ROAD CLOSED - DIVERSION ROUTE AS PER
DRAWING EL17691064/09

- As Phase 1

Following completion of the carriageway resurfacing works, the contractor will apply road markings and road studs. This work will be undertaken Wednesday 21st to Friday 23rd February between 09:30 to 16:30, localised parking suspensions will be in place which will be signed and coned.

The above phase dates may be subject to change.

For their own safety, pedestrians should not enter the works area (within the carriageway) during the works. Please note that before the final surface layer is laid, the existing surface will be sprayed with a black bituminous emulsion, which becomes very sticky. Please be aware that this material should be avoided, as it will readily stick to soles of footwear, bicycle tyres, pet's paws etc and is very difficult to remove.

I apologise in advance for any inconvenience this work may cause. If you have any queries or specific access requirements please contact Ian King of this office on 01620 827017.

We are now using www.tellmescotland.gov.uk to inform the public about major roadworks. This website will also be updated with any changes to the works.

Yours faithfully

Callum Redpath
Team Manager - Engineering
