13<sup>th</sup> September 2023

Owner/Occupier  
Duns Road, Gifford

Dear Sir/Madam

### **CARRIAGEWAY RESURFACING WORKS – B6355 DUNS ROAD, GIFFORD**

It is the Council's intention to undertake carriageway resurfacing works on Duns Road, Gifford. A location plan highlighting the affected areas can be found on the reverse of this letter.

The works which will include initial preparatory works to replace gullies and ironwork, in addition to the primary carriageway resurfacing element, are now programmed to start week commencing Monday 25<sup>th</sup> September, for a duration of 3 weeks, weather permitting.

In order to comply with current health and safety legislation, parking restrictions will be implemented where signs and no waiting cones are in place, from 8.00am to 4:30pm daily, Monday 25<sup>th</sup> September to Friday 13<sup>th</sup> October 2023 (excluding weekends).

A Road closure will also be required on Walden Terrace (highlighted on plan) for a short period week commencing 9<sup>th</sup> October 2023, to facilitate resurfacing of the junction area. This will be signed ahead of time, to notify local residents.

The above work will be undertaken in phases to minimise any disruption to vehicular access for residents within the works extents. Pedestrian access and emergency vehicle access will be maintained at all times. Refuse and recycling bins will also be emptied as normal, however please ensure your bins or boxes are out for 6am on collection days.

For their own safety pedestrians should not enter the works area. Please note that during the resurfacing works the existing surface will be sprayed with a black bituminous emulsion which becomes very sticky. Please be aware (and make other family members aware) that this material should be avoided as it will readily stick to soles of footwear, bicycle tyres, pet's paws, etc and is difficult to remove.

Please note the above dates are subject to change due to the weather dependent nature of the works. Further information and updates on any restrictions will be published on the website [www.tellmesotland.gov.uk](http://www.tellmesotland.gov.uk) which we use to inform the public about roadworks.

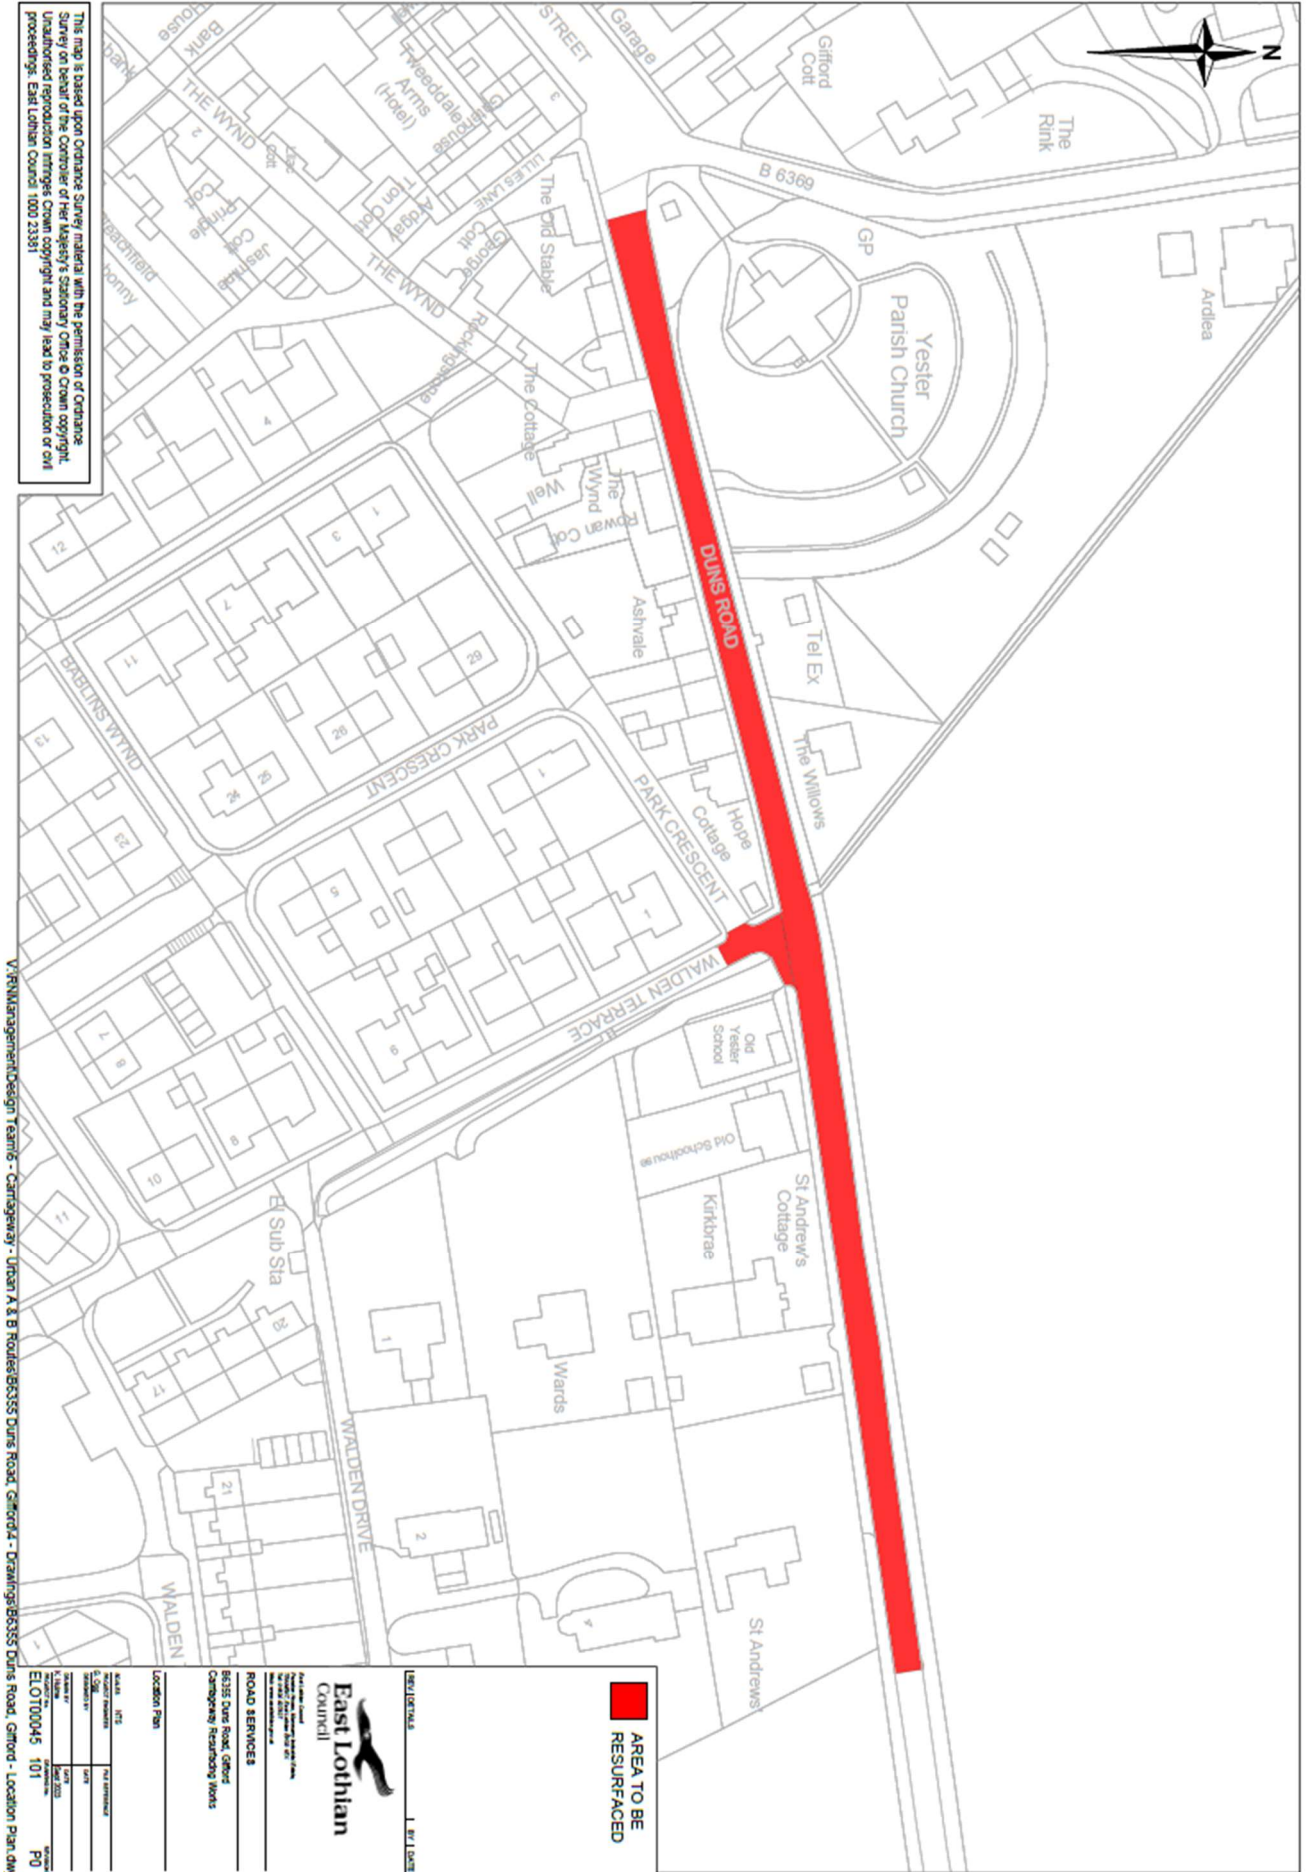

I apologise in advance for any inconvenience this work may cause. If you have any queries, please contact Keir Hulme via e-mail [roadservices@eastlothian.gov.uk](mailto:roadservices@eastlothian.gov.uk) or telephone 01620 827 827.

Yours faithfully

Callum Redpath  
Team Manager – Engineering
