

**THE EAST RENFREWSHIRE COUNCIL
(GREENLAW ROAD, NEWTON MEARNES)
(WAITING RESTRICTION)
ORDER 20[**]**

STATEMENT OF REASON

Following recent road safety improvements made to the junction of Greenlaw Road with Crookfur Road, which included widening of the footways and the reconfiguration of the traffic signal controls in order to better manage vehicle movements in and out of the junction, it has been recognised that inconsiderate parking on Greenlaw Road close to the junction is severely impacting the efficient and safe use of the junction by vehicular traffic.

It is proposed therefore, to extend the current No Waiting at Any Time restrictions by a further 43 metres or thereby to address this problem by restricting parking on this section of the carriageway.
