

STATEMENT OF REASONS

The general effect of the proposed Traffic Regulation Order will be to introduce a Part Time 20 MPH Speed Limit on the section of Edgar Road, Elgin as specified in the Schedule below.

Following recent completion of the New Elgin High School site and the improved access arrangements, it has become desirable to reduce traffic speeds adjacent to Greenwards Primary School, which will undoubtedly experience additional traffic flows at its boundary, during the school term. The introduction of a Part Time 20mph Speed Limit, which will be supported by flashing signs, will also enhance safety in the vicinity of the new Toucan Crossing.
