

STATEMENT OF REASONS

Moray Council propose to promote a Stopping Up Order on part of U123E Moss of Barmuckity Road, as shown on plan attached to the Order.

The reason for the Stopping Up Order is that all access to the new Business Park, Barmuckity Farm and Barmuckity Farm Cottages will be taken from a new 4-arm roundabout to be constructed on A96 Trunk Road approximately 340 metres south east of U123E Moss of Barmuckity Road. The existing junction of A96 Trunk Road/U123E Moss of Barmuckity Road will be closed off, except to emergency vehicles, at the Trunk Road junction.
