

**THE MORAY COUNCIL, (SCHOOL STREETS, ELGIN)  
(PROHIBITION OF DRIVING)  
TRAFFIC REGULATION ORDER 2022**

**STATEMENT OF REASONS**

Following a successful Experimental Road Traffic Regulation Order (RTRO) it is now proposed to implement a permanent RTRO to close roads around the schools to vehicles during set times when pupils are being dropped off and collected. The RTRO will significantly reduce vehicular traffic adjacent to the School when there is an increase in pedestrian movement. The School Streets schemes will enhance the health and environment for young people. The Order is being proposed in the interest of Road Safety.
