# Road closure Restricted access

In order to take care of the water supply in your area, we need to carry out essential work at:

To carry this work out safely and efficiently causing as little disruption as possible a road closure/restricted access will need to be put in place between:

Local access and access to railway station will be maintained at all times

**Where possible, please help us by parking at an alternative location during these hours if you require the use of your vehicle.**

We will have arrangements on site if any emergency vehicles require access.

Anyone calling on behalf of Scottish Water will always carry photographic identification (ID), which has a photograph of them on it. We recommend that before you answer the door to anyone claiming to be working on behalf of Scottish Water, that you follow our 'Three C's' rule: **CARD, CHECK, CALL.**

If you would like any further information or require additional support during this essential work, please contact us quoting reference:

**Thank you for your patience and understanding while this essential work is carried out.**
