Dear Sir/Madam

**Mollinsburn Road Cutting Site of Special Scientific Interest (SSSI)
De-notification under Section 9(5) of the Nature Conservation (Scotland) Act 2004**

SNH has reviewed the scientific interest of Mollinsburn Road Cutting SSSI and decided that part of the site should not continue as an SSSI because sections of three of the exposures were destroyed to accommodate the M80 upgrade undertaken between July 2009 and June 2011.

The de-notification of this part of Mollinsburn Road Cutting SSSI takes effect from the date of this letter.

This means that from now on if the owners wish to carry out any of the activities on the list of operations requiring consent on the area concerned they will no longer need to obtain consent from SNH.

Please get in touch with Peter Kelly at our Hamilton office on 01698 421668 or via email at peter.kelly@nature.scot if you have any queries about this letter.

Yours faithfully

Kerry Wallace
Unit Manager
